

E-Pak® Lubricants Dispensing System

The E-Pak® Lubricants Dispensing System from Service Pro® has an innovative design that provides professional installers with a cost effective alternative for offering a wider variety of premium Service Pro® motor oils and fluids. Using the Service Pro® dispensing system 6 gallon package, installers can now inventory up to 6 different products in the same floor space as required for a single 55 gallon drum. This means reduced inventory costs, better customer service, increased inventory control and maximum profits!

The Service Pro® E-Pak® containers are 100% recyclable. This sustainable packaging innovation addresses the environmental challenge of properly disposing of used containers.

Full Synthetic Motor Oil - 6 gallon E-Pak®
